

KIDNEY & UROLOGY

FOUNDATION of AMERICA, INC.

Phone: 800.633.6628 • www.kidneyurology.org

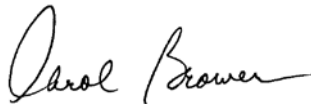

Dear Renal/Urology Healthcare Professional:

The Kidney & Urology Foundation of America is proud to offer the **Covelli Family Achievement Award** to elementary, middle and high school students (ages 6-18) who have been diagnosed with kidney or urologic disease. This award encourages school-age patients to master life skills and focus on their education. *Please note that college-bound high school students should apply for the *Kidney & Urology Foundation of America Scholarship Award*.

Please take the time to carefully review the award criteria and application instructions on the following page before completing the enclosed application forms. To be considered for this award, **all guidelines must be met in full**. Applicants of this award should not apply for any other KUFA award. At the discretion of the review committee, applicants may be considered for an alternative KUFA award if they do not qualify for this one. You will receive notification of a decision in August 2018.

Completed application forms must be *received* by **Friday, May 18, 2018** to be considered for this award cycle. **We will not accept faxed applications**. The entire application, including letters of recommendation, must be mailed together. Thank you.

Best of luck!

Carol Brower
Program Director
Kidney & Urology Foundation of America

COVELLI FAMILY ACHIEVEMENT AWARD

Covelli Family Achievement Awards of up to \$500 are available for patients, ages 6 – 18, with kidney or urologic diseases for the following:

- ***Most improved grades*** – The nominee should have made a special effort and achieved success in improving his or her school grades in the past 12-18 months.
- ***Mastering a subject*** – The nominee should have made a special effort and achieved success in mastering a school subject (math, reading, writing, etc.).
- ***Outstanding academic performance*** – The nominee should receive good to excellent grades overall.
- ***Achievement in life skills*** – The nominee has made significant strides in confidence, communications, interpersonal relations, self-discipline and other skills which mark maturity and will assist him or her in living a productive life.
- ***Effort*** – The nominee has extended him/herself to mature and develop academically in areas such as school attendance, participation in educational activities and events, independent study, reading, and practice of fundamentally important and useful skills.

Financial need will *not* be used as criteria in selecting recipients. All nominees will receive a certificate recognizing their achievements.

Note: *All nominees will be required to allow the Kidney & Urology Foundation of America to mention their name, institution and testimonial and to include photos in communications surrounding the awards, including on KUFA website. Nominees are also asked to participate in KUFA programs where possible.*
