Dinner 7:30 pm

Black Tie Optional
RSVP

Since its early beginnings the **Kidney & Urology Foundation of America** has been in the forefront in the fight against kidney, urologic and hypertensive diseases. All of our lives in one way or another have been touched by the Foundation. Those efforts in research and medical therapy have changed sickness and death to life and prolonged health.

We could not accomplish these life saving activities without the help and support of many people. It is the generosity and participation of those, both medical and lay, who make the work of the Foundation possible.

THE KIDNEY & UROLOGY FOUNDATION OF AMERICA IS PROUD TO HONOR:

John Catsimatidis, Owner, President, Chairman and CEO of the Red Apple Group and Gristedes Foods, will receive the **2009 Legends Award** for his outstanding philanthropic achievements on behalf of all those with urologic and kidney disease. His years of commitment and dedication to the Foundation is an inspiration to all.

Jonathan A. Winston, MD, Associate Professor of Medicine/Nephrology, Mount Sinai School of Medicine, will receive the **2009 National Medical Award in Nephrology** for his lifetime of dedication to his patients, his achievements in the field of renal diseases, and for his commitment to educating future generations.

Michael Zacharias, President, STA Parking Corp, will be presented with the **2009 Humanitarian Award** in recognition of his selfless efforts on behalf of those who suffer kidney and urologic diseases and his dedication to helping those less fortunate.
