The Kidney & Urology Foundation of America, Inc. is a national, not-for-profit organization dedicated to helping people avoid the debilitating effects of kidney and urologic diseases – disorders affecting as many as 70 million Americans today.

By funding research, medical conferences, and interdisciplinary hospital initiatives, the Kidney & Urology Foundation provides the leadership necessary to promote a better understanding of kidney and urologic diseases.

We are committed to making research and resources accessible to patients and their families, as well as to caregivers, and we measure our success by our ability to respond meaningfully and personally to the public and to people in need.

To show your support of a family member, friend, or loved one or to celebrate a special occasion, consider making a gift to the Kidney & Urology Foundation of America. All donations bring hope and help to the millions of Americans, young and old, suffering from kidney, urologic, and related diseases.

KUFA is proud to offer you the opportunity to sponsor a college-bound youth or young adult with kidney or urologic disease. Candidates have demonstrated financial need and have shown a strong commitment to becoming college graduates in spite of their medical hardships. You can help us foster their dreams and ambitions and give them the opportunity to look forward to a more productive future.

This gift will truly make a difference in the life of a committed, focused individual who needs to overcome a chronic medical condition that makes life a bit more challenging -- a life that you can change by your contribution.

“I truly can’t express in words how thankful I am for the opportunity to have this scholarship for the past four years.” Fallon Hartsell-Ozbirn

“This Award has given me hope for the future. After spending most of my life on a dialysis machine, I can still dream big because the award has afforded me the opportunity to approach life differently; knowing that someone cares so much to give me an education.”
